MEMORANDUM OF AGREEMENT

Agreement between PABR and the Breeder/Buyer Settlement

1. Breeder should breed a legit American bully either Exo or Bully.
2. Breeder should talk to the shooter to sign this agreement to make sure that he/she agrees to shoot a legit American Bully either Exo or Bully.
3. The stud owner / Female owner should sign this agreement to make sure that stud owner / Female owner agrees that the female is a Legit American bully either Exo or Bully.
4. If the breeder / Stud owner / shooter signs this agreement and they do crossbreeding, they will be punished by law.

5. If the bully that was registered to PABR was sold by the breeder, then the buyer complains on legitimacy of the bully and was later found out that it was a cross breed, the breeder will be punished by law.

6. If the breeder and the buyer get into settlement, PABR still has the right to pursue the case against the breeder.

7. If the buyer complains and proves that he complains for personal purposes, Law will punish the buyer.

8. Above-mentioned agreement will be notarized and someone who will not follow will be punished.

This agreement guarantees the American Bully ether EXO or BULLY not to cross in other Breed.
